

# PUBLIC LEADER

SEVENTH YEAR.

MAYSVILLE, KY., MONDAY, AUGUST 8, 1898.

ONE CENT.

## Purely Business!

The columns of a newspaper represent a cash value. No publisher can afford to give advertising "notices" free any more than a merchant can toss over his counter two gifts of dry goods or shoes. A newspaper is a legitimate business concern. Its columns are in stock in trade and advertisements made to be paid for, no matter in what part of the paper they appear.

## ROCK OF LIFE.

Tell me not in language cheerful  
Life is more than winding stream;  
Striving 'gainst our fate, I'm fearful,  
Is more serious than we dream.

"Life is real"—this all mortal  
Man has long ere this found out;  
Standing at the wooded portal,  
Have you any lasting doubt?

All the bank notes we can borrow  
From our friends along the way  
Will not settle on the morrow  
Half the debt we have today.

Art is futile, Time is stingy,  
Yes, our days of grace are few,  
And our work when worn and tatty  
Turns to dust and dust to dew.

'Gainst the world's hard line of battle  
Some rush up with fearless tread;  
He who runs like frightened cattle  
Is better far than he who lead.

Trust not "tomorrow" if you do it—  
Though the "Bulls" be strong today,  
On the morrow you will rue it,  
For the "Bears" will have their way.

Lives of some men end remind us  
They have neither toiled nor spun;  
Yet before, around, behind us  
Is the labor we have done.

Labor that perhaps some sinner,  
Viewing from his window high,  
A mortgage or bond redeemer,  
Seeks, took without a sigh.

Seek contentment, never heading  
What may be our future state;  
Surely to the goal we're speeding,  
Work or play—we have to wait.

—E. L. Kautman.

For strictly pure Paris Green call at  
Henry W. Ray's Postoffice Drugstore.

The foundation for Mr. W. D. Cochran's  
East End residence is near completion.

Ed. P. Browning's residence, advertised  
for sale Saturday, was not put up.

this morning, and if there's no further  
hindrance it will be ready for roofing in

Fremont Park.

Fremont Park has a treat for the show-  
ing public this week, a big strong  
show headed by the only Pryor and  
Gates, the world's greatest knockabout  
team. Their act is a laugh from start to  
finish. Also other strong acts that are  
No. 1 and are sure to catch on with the  
people.

KEHOE LEADS!

The Mason County Man May Be  
Nominated For Congress.

CONVENTION MEETS WEDNESDAY

Democratic County Conventions were  
held Saturday throughout the Ninth Dis-  
trict to send Delegates to the Congres-  
sional Convention to be held at Cynthiana  
next Wednesday, when a Democratic  
candidate for Congress will be named.

The candidates for the nomination are  
the Hon. James N. Kehoe of Mason  
county, Hon. Waller Sharp of Bath,  
Hon. Mordecai Williams of Boyd, Hon.  
Frank Powers of Carter and Hon. W. T.  
Cole of Greenup.

The race for the nomination, however,  
is conceded to be between Messrs. Kehoe  
and Sharp.

In Saturday's Conventions Mr. Kehoe  
carried Bracken 9, Fleming 10, Lewis 7,  
Mason 13, and is accredited the 3 votes of  
Robertson. Delegates from which county  
are not instructed. This is a total of 42  
votes.

There are 106 votes in the Convention,  
and it will require 54 to nominate.

Mr. Sharp has Bath 9 and Rowan 8.  
He will probably get Nicholas, which has  
9 votes, and he will eventually get the 9  
votes of Lawrence, which gave first in-  
structions for Williams and second for  
Sharp. This would give Mr. Sharp 30  
votes.

Mr. Williams will go into the Con-  
vention with the 9 votes from Lawrence  
and 6 votes from Boyd, his home county.

Mr. Powers will get the 8 votes of Car-  
ter and Mr. Cole the 7 votes of Greenup.  
Harrison has 13 votes. It will probably  
go for Mr. Sharp, which would materially  
increase his strength. Should it vote for  
Kehoe he would win the nomination on the  
first ballot, but well-posted politicians  
assign its vote to Sharp.

The votes of Williams, Powers and Cole  
will also be a factor in the result, and  
there is every prospect of a lively contest  
at Cynthiana.

## NOT A SAT

In our remarkable \$7.65 Suit Sale would be left unsold today had the people known what values they get for the price. At the eleventh hour the community seems to have suddenly awakened to the fact and truth that never before in the history of Maysville's clothing trade \$7.65 bought such values. We judge this from the number of customers that came in for these suits yesterday. To make this sale a record breaker, and for the benefit of the laggards, we have replenished the depleted \$7.65 counters with still greater values, and will continue the sale until the 15th of August. Look in our window display.
